Team 1

Pathogen Attacks! Class Zoom Game Setup

1

Insert Pathogen Attacks Class Zoom Board as your background. Send it to the back.

Team 2

2

Insert the 15 Pathogen Attacks! cards. Resize them to match the cards on the Symptom boards. Place in a grid randomly.

4

Insert the 15 Response cards. Resize them to match the other cards. Place in a grid like shown at right.

<div>PATHOGEN ATTACKS! Spreads through the plant, taking over cells SYSTEM STRIKES BACK! OUCH!</div>	<div>PATHOGEN ATTACKS! Hijacks cell to make more viruses until the leaf cell is packed OUCH!</div>	<div>PATHOGEN ATTACKS! Releases toxin that damages blood vessels in the brain OUCH!</div>	<div>PATHOGEN ATTACKS! Immune system senses invaders in the airway IMMUNE NINJA!</div>	<div>PATHOGEN ATTACKS! Kills heavily infected leaf cells as it spreads OUCH!</div>	<div>PATHOGEN ATTACKS! Spreads through tiny tunnels to infect nearby leaf cells IMMUNE NINJA!</div>	<div>PATHOGEN ATTACKS! Steals food from the intestine and multiplies SYSTEM STRIKES BACK!</div>	<div>PATHOGEN ATTACKS! Destroys microvilli to make smooth attachment sites OUCH!</div>
<div>OUCH! Dead blood vessel cells cause clogs in the brain 1 POINT</div>	<div>OUCH! Kidneys can't clean the blood 1 POINT</div>	<div>OUCH! Nutrient & water absorption decrease leaving watery waste 1 POINT</div>	<div>OUCH! Infected throat cells die 1 POINT</div>	<div>OUCH! Vacuoles have less room 1 POINT</div>	<div>OUCH! Dead cells can't hold water, so leaves dry out 1 POINT</div>	<div>OUCH! Damaged vessels in stems can't support the weight of the plant 1 POINT</div>	<div>OUCH! Dead cells can't hold water, so leaves dry out 1 POINT</div>
<div>SYSTEM STRIKES BACK! Expels built-up mucus from the airway 2 POINTS</div>	<div>SYSTEM STRIKES BACK! Goblet cells make extra mucus to protect against viruses 2 POINTS</div>	<div>SYSTEM STRIKES BACK! Stomach forcefully ejects contents 2 POINTS</div>	<div>SYSTEM STRIKES BACK! Plant redirects resources to fight the virus 2 POINTS</div>	<div>SYSTEM STRIKES BACK! Expels built-up mucus from the airway 2 POINTS</div>	<div>SYSTEM STRIKES BACK! Goblet cells make extra mucus to protect against viruses 2 POINTS</div>	<div>SYSTEM STRIKES BACK! Stomach forcefully ejects contents 2 POINTS</div>	<div>SYSTEM STRIKES BACK! Plant redirects resources to fight the virus 2 POINTS</div>
<div>IMMUNE NINJA! Brain sets body temperature higher to fight the infection 2 POINTS</div>	<div>IMMUNE NINJA! Muscles are inflamed because of the immune response 2 POINTS</div>	<div>IMMUNE NINJA! Immune system kills leaf cells to contain the spread 2 POINTS</div>	<div>IMMUNE NINJA! Immune cells rush to small intestine and cause swelling 2 POINTS</div>	<div>IMMUNE NINJA! Brain sets body temperature higher to fight the infection 2 POINTS</div>	<div>IMMUNE NINJA! Muscles are inflamed because of the immune response 2 POINTS</div>	<div>IMMUNE NINJA! Immune system kills leaf cells to contain the spread 2 POINTS</div>	<div>IMMUNE NINJA! Immune cells rush to small intestine and cause swelling 2 POINTS</div>

3

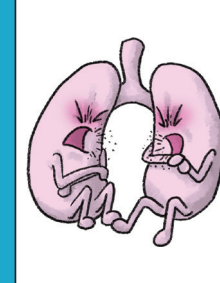

Insert the Black Cover Card and re-size it to match the other cards. Copy it 14 times to cover each of the cards in the grid.

5

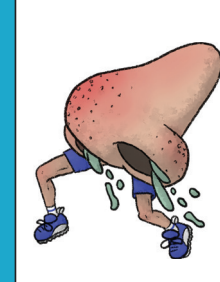

Find an online timer that you can display. Set it for 60 seconds.
